

We're in the final stretch!
Join us at RPHQs in Atascadero as we enter Phase 3 of the Recall. It's never been more crucial for you to help in this effort—to take us across the finish line.

Together, we have the power to cross the finish line in victory, but we need your help!

The stakes have never been higher, and our deadline draws near. **May 2nd** is the final day to turn in our petitions. Dozens of volunteers have invested hundreds of hours during Thanksgiving, Christmas, and this year to gather thousands of signatures.

We're in the final stretch. So, join us as a driver, signature gatherer, or caller.

We have an organized effort (using a current voter registration list from the County-Clerk Recorder) to gather signatures from Republican households in Atascadero.

The weekly effort will be under way to gather the final signatures—with a safety margin.

Callers will be contacting registered Republicans (there will be a script) to determine whether they've signed the recall petition *or* are interested in signing. Drivers will then take signature gatherers to households that have been contacted.

The coordinated effort will make it possible for drivers and signature gatherers to collect multiple signatures on adjacent streets or neighborhoods.

- **When:** Thursdays, Fridays, Saturdays, and Sundays (March 28 thru May 2).
- **Time:** 10:00 am to 5:00 pm — come for the duration, or join us for a 2-hr, shift. Many hands make for light work, and there's still a lot of work to do.
- **Where:** Meet at RPHQs in Atascadero - 7357 El Camino Real.
- **What:** We believe the strategy will significantly increase the number of signatures gathered per hour.
- **Why:** Its time corrupt officials be held accountable: let's recall County Supervisor Bruce Gibson and save our County!

Note: There's a concurrent fundraising effort going on, so we can reimburse Drivers for gas!
